

From the monograph:

Brennan, E. M., Bradley, J. R., Ama, S. M., & Cawood, N. (2003). *Setting the pace: Model inclusive child care centers serving families of children with emotional or behavioral challenges*. Portland, OR: Portland State University, Research and Training Center on Family Support and Children's Mental Health.

The Research and Training Center makes its products accessible to diverse audiences. If you need a publication or product in an alternative format, please contact the Publications Coordinator: 503.725.4175, rtcpubs@pdx.edu.

This publication was developed with funding from the National Institute on Disability and Rehabilitation Research, United States Department of Education, and the Center for Mental Health Services, Substance Abuse and Mental Health Services Administration (NIDRR grant H133B990025). The content of this publication does not necessarily reflect the views or policies of the funding agencies.

Portland State University supports equal opportunity in admissions, education, employment, and the use of facilities by prohibiting discrimination in those areas based on race, color, creed or religion, sex, national origin, age, disability, sexual orientation, or veteran status. This policy implements state and federal law (including Title IX).
