Mary Grealish is the President of Community Partners Inc., a technical assistance firm that provides assistance in implementing the Wraparound Process, community assessment, training, System of Care design, evaluation and policy consultation to develop services and strategies for people who have complex, unmet needs. She has participated in the development and implementation of community based services that are effective, family and person centered, collaborative, unconditional and individualized. Ms. Grealish also has extensive experience assisting people in intervening with mild to serious behavior problems and designing proactive and reactive crisis plans, safety plans and plans that help vulnerable individuals address problematic transitions.

For more about Mary, please visit:

<http://www.wraparoundsolutions.com/mary.asp>

Ms. Grealish emphasizes the importance of the individual, the family and teamwork. In her extensive work with people of all ages, she helps create viable plans that are based on their strengths. She also provides technical assistance in finding and linking with available resources in communities. State and local providers continue to call on Ms. Grealish to help them develop strategies for interagency collaboration.

Please see <http://www.wraparoundsolutions.com/services.asp> for more on Mary's services.
